"The Kolb Team is the most professional, knowledgeable, and media savvy real estate team we have ever used in our many home purchases and sales. From the meticulous listing presentation through the seamless closing, they monitored all aspects of our house sale, always keeping us informed.

They not only take a highly personal interest in listing and marketing a home, they are committed to actually selling the home to their buyers! They personally sold our home in five days for full price! Because they have the knowledge, confidence and belief of the value of your home, they are the consummate real estate professional for both buying and selling homes in our area!"
